Gentlemen,

Below is information detailing the upcoming Cross Check VII operation, which will take place from 9/17-9/21.

I have been tasked with taking the lead on this op.

As you'll see, SLC is required to have 240 targets. Boise can provide 50 targets, leaving 190 additional needed, 95 from SLC and 95 from LVG.

The zip file contains possible leads developed by NCATC for your review. I have extracted those that are in our AOR and they are included on the spreadsheet named NCATCLEads_FSL. I have also included a blank target list to place your targets on.

Please have a breakdown of any law enforcement agencies taking part in the Operation, including number of their officers to me by 10 a.m. MST on 8/31/17, if applicable.

Please have your target lists to me for consolidation NLT 12 p.m. MST on 9/8/17. This will allow time for the chain of command to review prior to submission.

I will be reaching out for additional information that is need for the Op plan in the near future.

Thanks,
